- ◆ Immediate assistance when needed.
- ◆ Provide a sense of security for yourself or your loved ones.

Our Mission

Our mission is to meet the behavioral health and social service needs of individuals and families with a focus on those in need of assistance with limited or no resources in Morris County. Our Behavioral Health and Social Services will address early identification, prevention, service provision, education and advocacy. Our services are provided in a manner that affirms individual dignity and encourages the attainment of full human potential. We invite people of good will to join us in making a difference in the lives of others.

Hope House is a Catholic Charities Agency and receives funding from:

The Diocese of Paterson

The United Way
County, State and Federal Grants
Corporate and Foundation Grants
Individual Donors

CONSIDER CATHOLIC CHARITIES IN YOUR WILL

As you plan for the future, have you considered Catholic Charities in your estate plans? You can establish a legacy gift by simply naming Catholic Charities in your will as a beneficiary. For more information please call our planned giving/development office at (973) 523-4456.

HOPE CONNECTION Personal Response System

Giving you and your loved ones peace of mind...
24 hours a day, 7 days a week
The Amac staff will respond with a phone call.

THE HOPE CONNECTION

The Amac Personal Response System is a two-way voice console that automatically dials to a toll-free monitoring center. A pendant, worn on either your neck or wrist, is your personal activator.

HELP IS ON THE WAY....

- ◆ Press the pendant button and the console unit will automatically dial into a 24-hour monitoring center. An Amac operator will answer from the console.
- ◆ If you are unable to respond or if the operator cannot hear you, the operator will disconnect and call you back on your home telephone. If again, you do not respond, the operator will call your personalized responder list, including the local police dispatcher in your area.

HOW IS IT INSTALLED?

- ◆ Our technicians connect the unit in either the kitchen, bedroom or living room next to a telephone.
- ◆ The technician will review the directions with you until you are comfortable with how the system works. You will also be instructed on what to do if there is a true emergency.

****There must be an active touch-tone phone line in your home.****

HOW MUCH DOES THE AMAC PERSONAL RESPONSE SYSTEM COST?

- ◆ One-time installation fee of \$35.00 (Additional charges may apply if conversion parts are needed at Installation.)
- ◆ \$32.00 monthly monitoring fee. Hope House will bill you directly each month.

HOW CAN I RECEIVE THE HOPE CONNECTION?

Call Senior Services at Hope House. We will ask for your personal and medical information, and your specific directives, in case there is an emergency. You will then be scheduled for an installation appointment

973-361-5555 ext. 130

Hope House will bill you on a monthly basis. If you decide to discontinue the AMAC Personal Response System, call Hope House Senior Services & arrange for a pick up of the Amac Personal Response System.
