Old Business

Women's Committee Annual Report--The annual report for 2015-2016 was presented to the Freeholders at the Freeholders May 8th work meeting. The report was delivered by Ginny Lyttle. Allison, Gayle, Shelby and Elaine were present at the meeting and were introduced to the Freeholders.

Morris County Providers Workshop--Pam will ask Liz for a copy of the minutes from the Providers Workshop.

Freeholder's Volunteer Reception--Carol, Patty, and Pam attended the Volunteer's Reception held by the Freeholders on May 16th.

Human Trafficking--Due to the absence of Ginny, no discussion was held on our work with Human Trafficking.

New Business

Leanna Brown Memorial--A tree will be planted at Frelinghuysen Arboretum in the fall. Freeholder Kathy DeFillippo will let us know the date and time.

Resignation—Sibi Saens-Williams resigned from the committee.

Stakeholders Followup—there was a discussion about the gaps in service to women in Morris County. The two gaps that seemed to be most discussed at the workshop were: lack of child care and stable housing. What we planned to do with the information was discussed and tabled until more members could be present.

Next Meeting—will be held September 21st and the Morris County Jail Warden will be invited to attend. The Stakeholder Topics will also be discussed.

The meeting adjourned at 7:30 pm

Respectfully Submitted
Elaine Muller, Secretary
