

GRANT-IN-AID

**ADDICTIONS/MENTAL HEALTH SERVICES
FUNDING PRIORITIES SUMMARY**

**County Fiscal Year (CFY) 2020 GIA-Addictions/Mental Health Services
Estimated - \$1,735,497**

Subgrant Term: January 1, 2020 – December 31, 2020

Match Requirements: None

Minimum Funding Request: \$1,000

Funding Specifications: The primary purpose of the Grant-In-Aid Addictions/Mental Health funding is to provide individuals with no/low income with needed services to achieve wellness and recovery. The County of Morris is committed to supporting agencies that offer client-centered, trauma-informed, recovery oriented care in a stigma free environment.

This public funding may only be billed for a specific unit of service when there is no third party insurance, Medicare, Medicaid or any other type of reimbursement, in whole or in part, for that service unit.

Applicants must meet the following criteria:

- Be appropriately licensed and maintain the highest standards of quality care.
- Use service outcome measures and performance standards, as required.
- Demonstrate an ability to provide and/or refer individuals to a full continuum of care.

Target populations:

- Individuals age 17 and over in the community who have a serious mental illness including a co-occurring substance use disorder, and are at risk of psychiatric hospitalization or homelessness.
- Youth and adults with substance use disorders or at risk of substance misuse, including legally involved individuals.

Based on identified priorities in Morris County Human Services Planning Documents, program monitoring, quarterly reports and ongoing requests for services, the Department of Human Services is looking to purchase the following services:

Mental Health/Co-Occurring:

- Housing Support Services, with an emphasis on emergency shelter and transitional housing;
- Recovery Services, including counseling, outreach, case management, and wrap around services that address multiple needs across systems;
- Community Services that support education, vocational and employment activities;
- Crisis Services that provide a bridge to community treatment;
- Consumer-Driven, Non-Crisis Services;
- Forensic Liaison Services, including re-entry services and case management;
- Legal Representation at psychiatric commitment hearings;

- Legal advocacy and representation for basic housing, shelter needs.
- The services presently provided at One Medical Drive shall continue to be provided at that location. The space shall be made available to the successful subgrantee. Subgrantee shall be responsible for all utilities and expense to operate the facility. The successful subgrantee shall provide those services at that location and shall be required to provide the County with an indemnity for all services at that location.

Addictions Services: The Department of Human Services will consider applications that provide services within the full American Society of Addiction Medicine (ASAM) Continuum, from prevention and early intervention services through treatment services and recovery support.

- Prescribed Rates: The Department of Human Services will pay the following rates for these levels of service on the continuum:
 - Level I (Outpatient): Up to \$85 per day
 - Level II.1 (Intensive Outpatient): Up to \$100 per day
 - Level III.7 (Residential): Up to \$200 per bed day
 - Level III.1 (Halfway House): Up to \$90 per bed day
 - Level III.7D (Detoxification Services): \$250 per bed day

Special Consideration will be given to the following service areas:

- **Recovery Support Services** – Outreach & case management, relapse prevention, life skills, peer to peer services, employment and job training services, etc.
 - **Peer Recovery Specialist** – Credentialed individuals available to respond after Narcan deployment in the hospital emergency room to provide ongoing support and linkage.
 - **Recovery Support Services** available to individuals who are awaiting admission to treatment programs. Engaging individuals as a bridge to treatment services.
 - **Narcan training** and kits provided to the community and various sectors of the community.
- **Outreach and case management**, including wraparound services, to engage individuals with co-occurring disorders and multiple service needs. Integrated services that address multiple needs across systems, using interventions that take into account an individual's readiness (motivational interviewing).
- **Transportation** - directly provided or linked, priority given to non-medical.

Applicants must also include a copy of financial screening, sliding fee scale forms and the latest financial audit. The County will not consider requests that do not include this information.

All 2020 applications will be reviewed by the Morris County Mental Health Addictions Services Advisory Board. This review will determine 2020 Grant-In-Aid funding recommendations. County Grant-In-Aid will be awarded based upon availability of funds for calendar year 2020. Should the County receive notification of a reduction in State or Federal funds, 2020 funding may be reduced or terminated. Morris County will not be responsible for replacing or maintaining funding levels in the event that possible reductions occur during the 2020 allocation process.

The County of Morris reserves the right to renew Subgrant agreements for the period of January 1, 2021 through December 31, 2021, based upon annual program review and the availability of funding.

Contact Laurie Becker at 973-285-6852 or lbecker@co.morris.nj.us with any questions.

Reminder: All 2020 applications due to MCDHS by 2:00 p.m., Friday, June 28, 2019.
